In an effort to help reduce traffic related incidents around the schools, the Los Angeles School Police Traffic Enforcement Unit will be happy to speak to your students and /or their parents about traffic safety concerns.

The best time to schedule, an officer to speak to a class is between 0900-1330 hours.

Career days would be a great opportunity to speak to large groups of students.

Due to the high volume of requests that the Motor Unit receives, it is recommended that you make your request three weeks to one month prior to the day of your event.
